Candidate

BURNEY SLACK

## Slack Announces For Judge's Office

Burney Slack has authorized The Canyon News to announce his candidacy for the office of County Judge in the following statement:

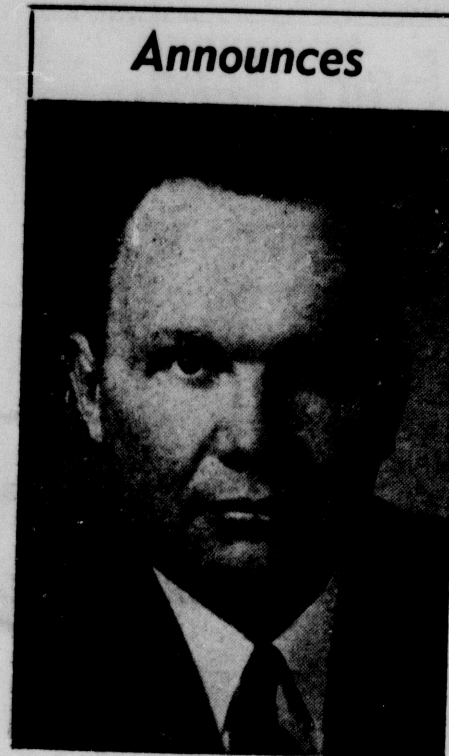

I wish to take this means of announcing my candidacy for the office of County Judge of Randall County in the July primary election. It has been my good fortune to have previously served the people of Randall County as County Judge, and I am always appreciative of the wonderful cooperation I received during that time.

I consider the office of County Judge to be one of the most important offices of the county, because of its personal touch with so many citizens through its varied duties and powers. The County Judge has sole jurisdiction in Probate Court matters, Juvenile Delinquent cases, with limited jurisdiction in both civil and criminal court cases.

The County Judge is chairman of the Commissioners Court which has the responsibility of looking after the business of the county and the spending of the taxpayers money, which in this county amounts to around \$300,000 annually, excepting warrant and bond money that might be available to spend.

With the many duties and responsibilities that go with this office, I feel that it would require the full and undivided attention of the County Judge, if the office is to be filled fully according to its duties and responsibilities. This I would promise to do.

I am practically a native of Randall County, having moved here from Fannin County with my parents when I was a young yearling. I attended Canyon Public Schools, graduating from there in 1918. I attended West Texas State for a while and graduated from the University of Texas with a BBA (Con't. on Back Page Section 1)

## Asks Re-Election For Second Term

A. W. Lair has authorized The Canyon News to announce his candidacy for a second term for the office of Criminal District Attorney for Randall County.

He will be glad to discuss the condition of the business of his office with anyone interested, and plans to see the voters personally before the July primary.

Celebrates

THE REV. LEO E. LAVOIE

## Honor Priest on 25th Anniversary

Twenty-five years of priesthood will be celebrated Tuesday by the Rev. Leo E. Lavoie, pastor of St. Ann's Catholic Church in Canyon.

Included in the celebration of the Silver Anniversary will be a banquet honoring Father Lavoie Tuesday night. A score of Catholic priests in this area are expected to be on the guest list, as well as local friends and dignitaries.

Father Lavoie was ordained to priesthood by Bishop J. B. Peterson on Jan. 28, 1933, in St. Joseph Cathedral, Manchester, N. H.

He was born Oct. 29, 1906, in Nashua, N. H., and attended grammar school there. He attended Assumption Prep school in Worcester, Mass., and Assumption College.

Father Lavoie attended the Seminary of Philosophy in Montreal, Canada, and St. Bonaventure Seminary, Allegany, N. Y. He was granted a Bachelor of Arts in 1929 from St. Bonaventure University and a Master of Arts in 1930 from the same university.

Father Lavoie was an instructor in French and Latin at St. Bonaventure from 1929 to 1931.

Following his ordination in 1933, Father Lavoie worked in the state of New Hampshire until 1953 when (Con't. on Back Page, Section 1)

## Announce Grass Contest Winners

Nearly 125 animals were shown in the 11th annual Randall County Junior Livestock Show held Saturday in the city barn, with championships awarded in three departments.

The grand champion in the Beef Cattle Department was shown by Jerry Parker and the reserve champion was shown by Red Parker.

In the Swine Department, the grand champion pig was shown by Jimmie Davis and the reserve champion by James Devin.

No grand champion was chosen in the Sheep Department. The champion Southdown was shown by Jerry McCarley and the champion crossbreed was shown by James Haley.

In conjunction with the livestock show, a grass identification contest was sponsored by the association and the Randall-Potter Soil Conservation District. Winners in the contest were Gene Stocker, first, Gary Carver, second, and Marvin Collier, third.

Three pigs were awarded on a revolving basis to winners of an essay contest. The winners were Dale Henry, Lonnie Wall and Ed Cranmer.

Showmanship awards were given in the three divisions. In the Sheep Department, Johnny Miller was first and Harrison Shepard second. In the Swine Department, Dale Henry was first and Robert and James Devin tied for second. In the Beef Cattle Department, Jerry Parker was first and Loyd Tripplet was second.

Winners in the departments were:

## Fire Destroys Findley Home; Seven Children Playing Outside

A fire of unknown origin destroyed the P. L. Findley home in the 100 block of North 13th Street Tuesday afternoon.

No one was injured in the blaze. Mr. and Mrs. Findley were away from home at the time and seven of their eight children were playing across the street.

All of the Findley's possessions were lost in the fire except for clothes in a washing Mrs. Findley had hanging on the line.

The Findley's children range in age from Donnie, 2, to Charles, 11. Others are Edward, 3, Jackie, 5.

Leta Fay, 7, Pauline, 8, and Maxine, 10. A 14-year-old daughter was not at home, but was with relatives in Amarillo.

County Judge Roy Joe Stevens has suggested that persons who wish to donate clothing or furnishings may use his office as a clearing house.

## Second Semester Enrolling Tuesday

Registration for the second semester at West Texas State College will open Tuesday and continue through Wednesday, Frank H. Morgan, registrar, has announced.

WT students will wind up final examinations for the fall semester Thursday and take a brief holiday before opening a new slate of courses.

Freshmen and sophomores will register Tuesday, and juniors, seniors and graduates will enroll Wednesday. Groups will register every half hour by an arranged alphabetical order.

Students who were enrolled at WT during the fall semester will be required to have a photostatic copy of their records from the registrar's office. These may be obtained before enrolling.

## Telethon Slated For Saturday Night

The local unit of the March of Dimes will join with KVIL-TV in presenting a telethon Saturday night and Sunday to raise funds for the March of Dimes fund.

Thompson's Hardware will be the local collection center for the telethon. Civic clubs will pick up the donations after the address is called in to Thompson's. Bill Wilson is co-ordinator between the collection center and the civic clubs.

Local talent is needed for the program. Anyone desiring to appear on the program may contact either Bill Cunningham or George Blackwell, publicity and county chairmen of the March of Dimes.

## Eagles Meet First Place Dimmitt Friday Night in High School Gym

Possessing a one-win, three-loss district record, the Canyon Eagles will meet Dimmitt Friday night in the Canyon High gym to finish the first half of a double round-robin district schedule.

The games will begin at 7 p. m. with a girls game to be played first, followed by the boys game.

Dimmitt is leading the District 1-AA race, having defeated practically every team in sight except 1-AAA Hereford and 3-AAAA Borger.

Next Tuesday, the Eagles will begin the second half of the round-robin, playing Muleshoe in Muleshoe.

Better than .500 shooting by Leonard Miller brought the Eagles their first district win Tuesday night in Olton by a score of 53-41. Miller led the entire field with 31 points made on 15 field goals and one free throw.

Miller's shooting averaged .577, with 15 good shots out of 26. A. L. Pruett picked up eight points, Dory Funk six, Frank Davis five and Cecil Pitt two.

Canyon lost 49-36 to Tulia Friday in Tulia. Miller led scoring in that game with 14 points. His shooting average was .571 in the Tulia game with four good field goals out of seven tries. Dana Wilbanks was second in scoring with 11 points. Pruett had eight and Pitt three.

Dalhart defeated Canyon 48-47 Jan. 14 and Muleshoe downed Canyon 63-39 in the first district game of the season.

## Swine Place In Amarillo

Several pigs shown last Saturday in the Randall County Junior Livestock Show placed in the Amarillo Fat Stock Show.

The highest place won by a county pig was third place in the middleweight Durocs, shown by James Devin. Mike Moore won fifth in the class.

Robert Devin placed seventh in the heavyweight Duroc class, Ed Cranmer, eighth, and Mike Moore, ninth.

In the Duroc pen of three class Robert Devin placed sixth, James Devin seventh and Mike Moore 10th.

In the lightweight Chester White class, Wayne Crawford placed 10th. In the middleweight class for the breed, Crawford placed seventh.

## Rally Round The Flag Boys

The Canyon Post Office is flying a large flag now, according to Postmaster Marion Higdon.

The large flag was put in use when a letter to Santa Claus from Miss Mary Moss Richardson was published in The Canyon News, asking for a large flag. A group from the First Methodist Church offered to buy a large flag for the post office, but when Higdon checked with the custodian, it was revealed that the post office had a larger flag on hand.

The smaller flag had been in use because it lasted from three to four times longer in the Texas wind, according to Higdon.

Tommie Thompson, of Basking Ridge, N. J., arrived last Friday night to visit his parents, the Clarence Thompsons, and other relatives. Mrs. Thompson and son had arrived the previous week.

Mrs. Wanda Hair, sister-in-law of Carl Hair, died last Wednesday. Mr. and Mrs. Hair attended the funeral services Friday.

## Chamber of Commerce Banquet Set Feb. 15 With Jack Lacy Speaking

Jack Lacy, executive vice president and general manager of the Amarillo Chamber of Commerce, has been named as speaker for the annual Canyon Chamber of Commerce banquet Feb. 15.

The banquet will be held in the WT cafeteria. Tickets will be \$2.50 per person and reservations are being taken now.

Lacy has announced that the subject of his speech will be "The

Golden Years." Reservations may be made with members of the board of directors of the Canyon chamber, or at the chamber office.

Board members having tickets to the banquet will be Frank Morgan, Don Standley, Jozach Byrd, J. D. Byrd, Dr. M. R. Callahan, Clarence Kincaid, Raymond Raillard, M. L. Sherrod, Riley Troth, Clay Cooper and Jerry LaGrone.

## Second Place Pig

James Devin's pig won the reserve championship in the Randall County Junior Livestock Show, and it was purchased by Taylor-Evans for 46 cents per pound.

## Snow Outlines Palo Duro

Last Sunday's snow brought two inches to the plains and .67 of an inch of moisture from the rain and snow combined, but the lower depths of Palo Duro Canyon showed no snow cover, making it easy to see why early day ranchers liked to winter stock in the canyon.

By  
BOYCE HOUSE**You hear some men say, "I'm  
a self-made man."I don't believe there is any such  
person. Unless we were left or-  
phans in infancy, we all owe much  
to our parents for their care and  
love. Then we are indebted to  
grandparents, uncles and aunts.And to school teachers and to  
ministers and to doctors.We owe a debt of gratitude to  
society for providing schools, li-  
braries and parks.And there are many people who  
do things for us just for the pleas-  
ure of it. Maybe it's only a hand-  
shake and a word of encourage-  
ment when you were blue and  
about to give up; perhaps it is a  
loan at a timely time; or suggest-  
ing your name to someone who is  
looking for someone for a job.When I was a senior in Central  
High School in Memphis, Tenn.,  
I obtained a job on a statistical  
daily, after school hours and on  
Saturdays. I copied the births and  
deaths, marriage licenses, building  
permits and listed new lawsuits  
— (all this information was ob-  
tained in various offices in the  
Courthouse.) Then I visited the  
nearby offices of three justices  
of the peace to list their newly-  
filed cases. Half a dozen blocks  
away was the fire station where  
I copied a report of each fire of  
the previous 24 hours.Then I was through except for  
visiting the hotels—the Chisca, the  
Gayoso, the Peabody, the Gaston  
and the Fransioli—and copying the  
names of all the new arrivals.For doing this — the rounds  
consumed several hours daily —  
I received \$5 a week, which fig-  
ured out less than a dollar a day.  
But this was much more than it  
sounds like now — in purchasing  
power it would likely equal \$20 a  
week today.Mr. Rowe was the publisher.  
He was short and fat, with a stub-  
bly red mustache, and he moved  
about nervously all the time. He  
would talk fast, stop in the middle  
of a sentence — then start a new  
sentence. I was always afraid he  
was going to fire me, and so I  
would hesitate to approach him  
for my "salary." When I did, he  
would count out five one-dollar  
bills.But one day he counted out six.  
He said, in his disjointed form of  
sentence, "Your work is — so —  
a raise."The job did not call for actual  
writing but it was the next thing

**Are You Among the Laggards?**There are at least 5500 laggards in  
Randall County. There are at least that  
many people who haven't yet taken the  
trouble to get a simple slip of paper that  
gives them a mighty loud voice in how  
they are governed.Two years ago there were 7573 poll  
tax receipts issued by the Randall County  
Tax Assessor-Collector. Yesterday, the  
total for this year was 1891.That 7573 total of two years ago, the  
last general election year, doesn't actu-  
ally represent the number of people who  
should have paid their poll taxes for  
that year. No indeed. It represents  
about three-fourths of them.But that extra fourth consists of such  
slovenly laggards that any appeal to  
them is senseless anyway.So this appeal is to those of you who  
really mean to get a poll tax receipt and  
vote, but just haven't found time yet.Time being so valuable nowadays, Bill  
Money's office has been trying to make  
it easy on you. If you happen to be in  
Amarillo, you can get your poll tax in  
the county branch office in the 3800  
block of Bowie, or you can get it down-  
town at the office of the Amarillo Junior  
Chamber of Commerce in the Amarillo  
Building. If you are in Canyon, you get  
it at the tax office in the courthouse.But if you don't have the time to get  
your poll tax receipt at one of the of-  
fices, you can get it by mail. To pay  
your poll tax by mail, send \$1.75 and the  
following information to Bill Money, Tax  
Assessor-Collector, Canyon, for each poll  
tax receipt required. He needs this in-  
formation: The name for each poll tax,  
age, race, sex, length of residence in the  
state, Randall County and the city in  
which you live, home address and mailing  
address if it is different from the home  
address, occupation, whether native-born  
or naturalized, and the name or number  
of your voting box.That's all you need do to obtain a poll  
tax receipt. If you request one by mail,  
it must be mailed soon enough to reach  
Money's office before closing time on Jan.  
31. The state law will not allow him to  
issue a receipt after that time, even if  
it was mailed before the end of January.

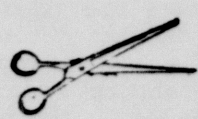

That should be simple enough.

We realize that some people consider  
that the payment of a poll tax should be  
done away with, that no money should  
be required in order to vote, that people  
should not have to sign up now to vote.  
And they point out how it is done in

many states.

Those people say that the poll tax  
disenfranchises too many people. Maybe  
they are right.But even in those states where no poll  
tax is required, voters must register a  
certain number of days before each elec-  
tion, but that's done all at once in Texas.  
Register once, anytime between Oct. 1  
and Jan. 31, and you can vote all the rest  
of the year.Is it worth it? Don't feel that your  
vote doesn't count. In recent years, elec-  
tions for county offices have been decided  
by less than 10 votes. It's easy to see  
that one vote makes plenty of difference.What can you vote on this year? Two  
members of the school board, the city  
commission if you live in the city, several  
county offices, a member of the legis-  
lature, a governor and all other state  
offices, a U. S. Congressman and a Sena-  
tor. Don't you reckon that's enough to  
get your money's worth?And, by the way, you can serve on a  
jury even though you didn't pay your  
poll tax.Act now! Don't be a laggard. Only  
nine days remain, and one of them is  
Sunday.

**Cowboy? Hall of Fame**You'll remember the Cowboy Hall of  
Fame that settled down in Oklahoma  
City after several possible sites in cow  
country were rejected in favor of a mil-  
lion dollars.The institution, which we believe  
strayed a little far afield in locating its  
home, is now selecting men to be hon-  
ored that are just about as far afield  
from cowboys as the Hall of Fame is.No doubt Stephen F. Austin, Brigham  
Young and James J. Hill, the great rail-  
road builder, had plenty to do with the  
building of the West, where the cowboy  
flourished. But all three would prob-  
ably be surprised to know that they have  
been voted into the Cowboy Hall of Fame.The Cowboy Hall of Fame hasn't for-  
gotten real cowmen, though. Among  
those who have been honored are Charles  
Goodnight, Oscar Loving and John Chis-  
um.But we suppose the Hall of Fame is  
showing Western spirit and hospitality,  
and everything will probably be all right  
in the end.**What Our Neighbors Say . . .****Scissor Snippings****Jimmie Gillentine in the Here-

slogan back in the days of Calvin  
Coolidge, according to a recent  
report in the Perryton paper and,  
to show how times change, they  
compared it with the present day  
slogan of "How much down? How  
much a month? Send it out!"I know it isn't according to

I lived in both periods and, for  
the life of me, I can't see how  
anyone would want to turn back.

ner:** We have just heard President  
Eisenhower's speech to the joint  
session of Congress. It was a well-  
written speech with nothing in it  
the nation didn't already know.  
He listed eight points for getting  
even with the Russians. Two ofthem are curious and deserve men-  
tion.First is his assertion that the  
U. S. and Russia must expedite  
travel between the two countries  
and learn to know each other bet-  
ter. Ike's Secretary of State, John  
Foster Dulles, is responsible at  
this time (and for the past several  
years) for this country's denial of  
passports to U. S. citizens who wish  
to visit the Soviet Union or her  
satellite countries.Secondly, he calls for continued  
efforts at disarmament. This item  
is curious, since Russia has made  
several calls for disarmament con-  
ferences and the U. S. represented  
by the president who made the  
speech to Congress, has rejected  
the invitations—and without call-  
ing for one himself. Perhaps the  
president should practice what he  
preaches?**Ben Ezell in the Canadian Rec-

rut? Maybe it's not dahlias, but  
most of us can profit by checking  
the time leaks in our days.At our house, for months, we've  
had a chronic complaint: No time  
any more to see old friends; no  
time to read; no time to stop and  
listen to our own lives. Latelywe've been taking time. Without  
making any hard-and-fast resolu-  
tions, we've simply stopped doing  
some of the things that had be-  
come habitual. We don't turn on  
the radio or television the minute  
we get out of bed in the morning,  
or walk into the house after the  
day's work. We avoid what had  
become our favorite pastime, mak-  
ing a fourth at bridge.The results have been amazing.  
We've read several books and some  
good magazines. We've obeyed  
the impulse to visit an old friend,  
to call someone on the telephone  
whom we used to see often. We've  
taken a long drive in the country,  
answered letters, rearranged the  
disorder of our desk. We've even  
sat still and felt the heartbeat of  
our home.With the liberation of so many  
hours from unthinking habits,  
we've begun living again.We do not argue against dahlias,  
radio and television listening, or  
playing bridge. We simply say**Variety Ring Meets

Mrs. P. L. Pitt, incoming president,

gotta go. The freedom which we  
guard so jealously for our country  
does us little good if we become

## Book Club Hears Guidance Speaker

Mrs. Mary Tom Rasco of Amarillo spoke on the need for a Child Guidance Center for Potter and Amarillo Counties to the Jan. 10 meeting of the Junior Woman's Book Club in the Panhandle-Plains Museum.

Officers were also elected. Mrs. Rasco answered questions from the audience following her talk, "We Too Can Have Child Guidance."

Mrs. Bob Lindsey Jr. was elected president for the 1958-59 year. Other officers are Mrs. Truett Hull, vice-president; Mrs. T. S. Stevenson Jr. secretary; Mrs. J. C. Bellah, corresponding secretary; Mrs. Michael Morris, treasurer; Mrs. Bob Bellah, program chairman; Mrs. Albert Craig, parliamentarian; and Mrs. Harold Erwin, reporter.

Plans for the organization of a new club for young women were made. Mrs. Murphy White was appointed chairman of the committee in charge of the project by Mrs. Bruce Winn, president.

Mrs. Bill Davis presented details of Game Night, to be held Jan. 25 in the American Legion Hall. Members were asked to bring pies and cakes to sell as refreshments to pay the club's expenses. Money raised by selling tickets would be given to the Girl Scouts and to the Community Center fund.

## Social Club Sets Amarillo Meeting

The Young Adults Social Club will meet next Monday at 8:30 p.m. at the Amarillo YWCA, Eleventh and Jefferson Streets, to begin the club's annual membership drive. Admission is 85 cents per person.

Members and interested persons in the Canyon area are invited to attend the dance club meetings each second and fourth Mondays. Single persons between 25 and 30 make up the membership of the club.

## Fairview HD Club Revises By-laws

Club by-laws and constitution were revised and adopted at the Fairview Home Demonstration Club met Jan. 17 in the home of Mrs. J. W. Wesley.

Mrs. Charles Sutton presented "Relations Between Clubs, Council and THDA."

Plans were begun for the club's annual "42" tournament, beginning Feb. 1 and running four consecutive Saturday nights.

A garden plan for club members was presented. The plan called for four rows of peas; presence, promptness, perseverance and preparation; three rows of squash; squash gossip, squash indifference, squash criticism; five rows of lettuce; let us obey rules and regulations, let us be true to our obligations, let us be faithful, let us be loyal and unselfish and let us love one another; and turnips: turn up on time for meetings, turn up with a smile, turn up with new ideas, turn up with determination to make everything count for something worth while.

Refreshments were served to Mrs. Serena Bryan, Miss LaVenia Amerson, Mrs. Richard Evans, Mrs. Frank Rogers, Mrs. E. W. Schaeffer, Mrs. Rayford Shipman, Mrs. Sutton, Mrs. G. E. Wesley, Mrs. E. M. Wilson, and Mrs. Wesley.

MR. AND MRS. ALVIS FRED BIBLE

## Pond-Bible Nuptial Vows Exchanged In Double-Ring Ceremony Recently

In a double ring ceremony before gothic windows outlined with eucalyptus leaves, Miss Bobbie Pond, daughter of Mr. and Mrs. C. H. Pond of 810 Eighth Avenue, and Alvis Fred Bible, son of Mr. and Mrs. J. C. Bible, were united in marriage Jan. 16 at the Calvary Baptist Church.

Bob Wear, minister of the Church of Christ, officiated at the service. Silver wedding bells were used on the gothic windows and on the seven tiered candelabrum which flanked the altar. Four baskets of white gladioli and six cathedral posts tied with white satin ribbon were arranged around the altar.

Mrs. Arlen Ruthart, pianist, accompanied Ronnie Smith, vocalist, as he sang "Because" and "The Lord's Prayer." Traditional processional and recessional marches were used.

Emmett and Bruce Pond, brothers of the bride, were candlelighters. Bill and Dale Bible, brothers of the bridegroom, were ushers.

Johnnie Lee Conaster, ring bearer, carried the rings on a white satin pillow. Miss Nora Lynn Pond, flower girl and cousin of the bride, was attired in a blue organdy dress trimmed in pink. She carried a pink basket of white rose pedals.

Miss Ernestine Pond, sister of the bride, was maid-of-honor. She wore an ice-blue ballerina length dress of organdy. She carried an old fashioned bouquet of white carnations and rosebuds.

Ray Bible, brother of the bridegroom, was best man.

Given in marriage by her father, the bride wore a dress of silk Italian lace over white taffeta with elbow length, fingerless gloves. Her waist length veil was held by a tiara of beaded pearls.

Mrs. Pond, mother of the bride, wore a navy blue dress with black accessories, and Mrs. Bible, mother of the bridegroom, wore a dark blue dress with black accessories. Both wore corsages of white carnations.

A reception was held at the Church of Christ Bible Chair following the ceremony.

Serving from the table centered with the wedding cake were Mrs. K. L. Pond, aunt of the bride, Mrs. Robert McClendon, cousin of the bride, Mrs. Sammie Suggs and Mrs. Birch Campbell. Miss Vicki Wiggins and Miss Dorothy Cran-

mer presided at the guest book. The bride's and the attendant's bouquet were used on the serving table. Candelabrum flanked the wedding cake, which was decorated with roses and the traditional bride and groom figures.

The table was flanked by baskets of white gladioli.

A graduate of the high school at Harrison, Ark., the bride has attended Arkansas Tech, Draughton's Business College in Amarillo, and West Texas State College. The groom graduated from Happy High School and attended West Texas State College after three years in the Army.

The couple will make their home in Harrison, Ark.

Mrs. Jeannette Robbins returned Saturday from a five week visit with her daughter and family, Mr. and Mrs. W. D. Walker, in Salem, Ore., and with other relatives in Oakland and Torrance, Calif.

Mrs. W. E. Miller and Mrs. Crews Henry attended the state Parent-Teacher Association board meeting in Austin last week.

My parents and myself have been continuous property holders and taxpayers in this county for over 50 years. I feel that with these experiences and qualifications, along with my earnest desire to serve, that I would be qualified to serve everyone in the county, not just a little group.

Again I wish to thank my friends for previous favors, and I will try to see each individual voter in the county in regard to my candidacy for the office of County Judge before July 26.

Shower Honors  
Juanelle Burrus

A miscellaneous shower was held Saturday night in the home of Mrs. Lonnie Byars for Juanelle Burrus, bride-elect of Glenn Andrews of Hereford.

In the receiving line were Mrs. Byars, Miss Burrus, Mrs. Helen Myers, grandmother of the bride-elect, and Mrs. Owen Andrews, mother of the bridegroom-to-be. Miss Burrus' corsage was blue feathered carnations with lilies of the valley. The others wore white carnations and lilies of the valley.

Presiding at the guest book was Veradell Andrews, sister of the bridegroom-to-be. Music was furnished by Mrs. R. D. Wheelock.

Laid with an imported handmade lace cloth, the serving table was centered with a fan of blue tufted net tied with blue and white satin ribbons on a base of blue styrofoam. The names Glenn and Juanelle and the date Jan. 25 were revealed on streamers that were tied to the centerpiece with white and blue bells.

White candles were set in crystal candleholders entwined with white carnations and lilies of the valley. Mrs. Glenn Settle of Tulia, Mrs. George Albers and Mrs. Ray Metcalf, all aunts of the bride, served sandwiches, cookies, coffee and tea.

Co-hostesses were Mrs. A. M. Cunningham, Mrs. Bill Knighton, Mrs. Jim Carter, Mrs. W. R. Crow, Mrs. Battle Harris, Mrs. Crews Henry, Mrs. Gladys Haines, Mrs. Lewis Tucek, Mrs. Ralph Ruthart and Mrs. L. D. Winn.

Mr. and Mrs. E. W. Shugart were Sunday visitors in the J. A. Hudgens home in Olton.

C. V. Wilkinson underwent surgery Monday morning at Northwest Texas Hospital in Amarillo.

Sell Western Album  
At P-PHS Museum

More than 500 copies of a western album, "Focus on the Frontier," which contains unusual photographs made by early photographers, have been presented to the Panhandle-Plains Historical Museum for sale.

The books were given by the Shamrock Oil and Gas Corporation which had used them as part of its advertising program during the Christmas season. Proceeds from their sale will go to the museum, according to C. Boone McClure, director.

Text for the books was written by J. Evetts Haley, noted western historian, and typography was by Carl Hertzog. The museum has 150 "deluxe" editions, bound in leather and gold imprinted. There are also 500 paper-backed editions for sale.

Featured are pictures of ranch life and early western days by such photographers as W. H. Jackson, "Picture Maker of the Old West," L. A. Huffman of Montana, one of the most versatile of photographic pioneers, and M. C. Ragsdale, a photographer of Fort Concho, Texas, and Erwin E. Smith, of the great Southwest.

The photographs range from buffalo hunts, cattle drives, trading posts, Panhandle wranglers, branding scenes, and many others.

he came to the diocese of Amarillo. He was chaplain for the Franciscan Sisters from Sept., 1953, until Jan. 16, 1957, when he was appointed pastor of St. Ann's.

In addition to his duties as chaplain, Father Lavoie worked for Bishop Lawrence J. FitzSimon in deciphering, translating and typing a transcript of the letters of the first Catholic Bishops of Texas. The work was a part of the compilation of the history of the church in Texas.

Religious Census  
Set for Sunday

A county wide religious census will be held this Sunday afternoon as teams from five Canyon churches survey districts to determine religious preference of families.

Participating in the survey will be the Calvary Baptist Church, the First Baptist Church, the First Christian Church, the First Methodist Church and the First Presbyterian Church.

Teams will not contact families that are known to be of a definite religious affiliation, but will contact families who have not indicated a religious preference. The teams will meet Sunday at 2 p. m. in the Fellowship Hall of the First Baptist Church for instructions and assignments.

Although all families are urged to be home Sunday, any family missed will be contacted at a later time.

Sgt. McNeil Speaks  
To Sue Hite Club

Sgt. Cecil McNeil, district safety officer for the Amarillo district of the highway patrol, spoke to the Sue Hite Club as it met Jan. 13 in the Panhandle-Plains Historical Museum.

Speaking of the cause and effects of traffic accidents, the officer told 39 members present that traffic accidents cost the taxpayers \$253 million a year.

Patrolman McNeil listed the major causes of accidents in Texas as speed, driving while intoxicated, driving on the wrong side of the road, running stop signs, improper passing, failure to yield right of way, following too closely, and improper passing.

Mrs. Lorenzo Wirt was elected a new member of the library board. Mrs. R. D. Wheelock and Mrs. R. C. Busted were hostesses. Mrs. Wirt gave the invocation.

Mr. and Mrs. Arthur Brewer and Mr. and Mrs. W. B. Harris will leave Thursday with several B.S.U. officers for a mid-winter planning retreat at Goriella, N. M. The students are Truett Sheriff, student secretary for the state of New Mexico, John Abbot, speaker for the Spanish people, Don Holtzclaw, president for the Dumas retreat committee, and Jane Cheney of Amarillo. They will return Sunday.

Mr. and Mrs. W. G. Boston Jr. and daughter, Martha Jo, of Dallas and Mr. and Mrs. Al Bond of Whitesboro visited in the W. G. Boston home during the past week-end.

Education has been a prime concern of Texas government for more than a century and a quarter. But seldom, if ever, has the subject loomed so large in public discussion as now in the satellite age.

Austin, site of the Capitol and state university, is the center for a swirl of conferences and statements on the direction in which education should move.

Mirabeau B. Lamar, known as the "father of education in Texas," admonished early lawmakers with the famous statement, "The cultivated mind is the guardian genius of democracy."

In the past few months, since Sputnik, statesmen have taken up this theme in different words, but with greater-than-ever urgency. They're saying, in effect, that unless the tempo of training can be stepped up immediately to train more people better, democracy is doomed.

In Austin this challenge has set off lively debates and given heavy new significance to the planning conferences of those who set educational policy. Current examples in the news:

SCIENCE AND MATH study in Texas public schools will get a critical examination by a group of school principals with advice

from business and industry leaders.

State Board of Education set up the study group which is to complete its project by end of 1959. Goal is to find means to enrich the schools' curriculum in some areas, set standards in others.

Board has previously raised graduation standards in Texas high schools, taking away from the students the chance to pass up math and science in favor of "snap" courses. This action, taken before the current science emphasis, was "somewhat prophetic," commented the board member.

NO TAX FOR TEACHERS would do more than scholarships and new buildings to raise level of instruction, said the secretary to the Commission on Higher Education.

Jack D. Cox said exempting teachers from income taxes would have the effect of raising salaries without levying additional taxes.

POOR PAY FOR PROFS was hit even harder by a University of Texas faculty member in an Austin talk. He cited salary incentives as crucial in comparing Russian and U. S. school systems.

According to Dr. B. H. Amstead, an American college professor can expect to double his salary in a lifetime; his Russian counterpart can achieve 15 times

his beginning wage. American teachers make 10 percent less than factory workers, said Dr. Amstead, Russian teachers 2 1/2 times more.

Proposed federal scholarships will be useless, he opined, unless there's also more money to attract people to run schools.

"SURVIVAL DEPENDS on the quality of our schools," Sen. A. M. Aikin Jr. of Paris told the Texas Association of School Administrators.

Aikin, leading legislative spokesman for education, reported on the aims of the Hale-Aikin Committee of 24 set up by the Legislature to make an over-all study of the state's school needs.

"Specific recommendations from the people of Texas on many important school matters are needed by the study group," Aikin said. Success of the study depends on how well the people get behind it and participate, he added.

It was begun, said the senator, "before foreign development re-emphasized the fact that education is a vital part of our national defense."

## A Letter to Lassie Fans

Dear Pal:

My name is Jon Provost. I am on TV as the boy star in the Lassie show. My first big motion picture, ESCAPE IN JAPAN, will show at the Olympic Theatre in Canyon this Friday, Saturday and Sunday.

The picture was filmed entirely in the seldom-seen corners of the real Japan in technicolor's newest process called TECHNIRAMA. I play the part of an American boy who goes to join his parents in Japan and who gets lost in Japan.

The picture is real good and is recommended for the whole family. Your dad and mother will like it too. It will look so clear and beautiful to them after seeing my Lassie show on the little box in your living room. I hope you won't miss it.

Sincerely yours,  
JON PROVOST,

## NEWS LETTER

FROM CONGRESSMAN WALTER ROGERS  
OF THE 13TH CONGRESSIONAL DISTRICT

Observations and Sidelights of the State of the Union Message. Like most speeches, the State of the Union Message, delivered to the Congress at 12:30 p. m. on Jan. 9 by President Eisenhower, contained many platitudes and generalities. Some of these were un-

doubtedly prompted by wishful thinking on the part of the President and his advisors.

One in particular which I have in mind is his reference to the possibility of further revolts similar to the Hungarian revolt. Contrary to the thinking of John

Foster Dulles, I personally do not believe that we can rely to any degree on the possibility of revolts behind the Iron Curtain having any telling effect on the strength of the Soviet Union.

We may as well be realistic and keep ourselves prepared, without depending on effective help coming from a source that is not going to produce it.

The hard core of the speech was concentrated in the eight items which are listed below and to which I have added my personal observations.

1. DEFENSE REORGANIZATION—This probably should have been styled rearrangement of the present defense establishment. I do not believe President Eisenhower intended to indicate he was going to do away with the Joint Chiefs of Staff.

2. ACCELERATED DEFENSE EFFORT—This actually had reference to accelerated efforts in coping with new developments; recognizing the need for dispersal rather than the concentration of many installations; perfecting better warning systems, etc.

3. MUTUAL AID—This is another name for "foreign aid." The President's condemnation of those who refer to this program as a give-away program did not please many of the critics of the foreign aid program.

4. FOREIGN TRADE—This will be highly controversial in many areas of this country. Foreign produced goods materially affect the economy in many sections of our country, because these foreign countries can produce the goods at so much less cost.

5. SCIENTIFIC COOPERATION WITH ALLIES—This has been controversial in the past but will probably meet with greater approval in view of the scientific and technological advances of the Soviet Union in recent months. The danger of such a program lies in the possibility of some secrets falling into unfriendly hands. The question is "Who are the friends of some of the friendly nations?" The Washington Post carried a story on Jan. 10, with the headline, "Canada Plans to Sell Wheat to Red China."

6. EDUCATION AND RESEARCH—The controversy as to how federal aid will be administered in the education field will cause fireworks. Expanded research and development can and should be accomplished with the least possible delay.

7. SPENDING AND SAVING—This would appear to be a conflicting term. However, a re-evaluation of some spending practices can result in savings. The re-evaluation should provide searching scrutiny of defense spending. Most tax dollars are absorbed by this department of government.

8. WORKS OF PEACE—The end result which we have been seeking for many years and hope and pray it will become a reality during our lifetime.

## Sidelights

Many of the sitting Members of the House of Representatives did not get to sit during the President's speech. They had to stand behind the rails because so many former Members (who have access to the House Chamber) occupied the seats earlier.

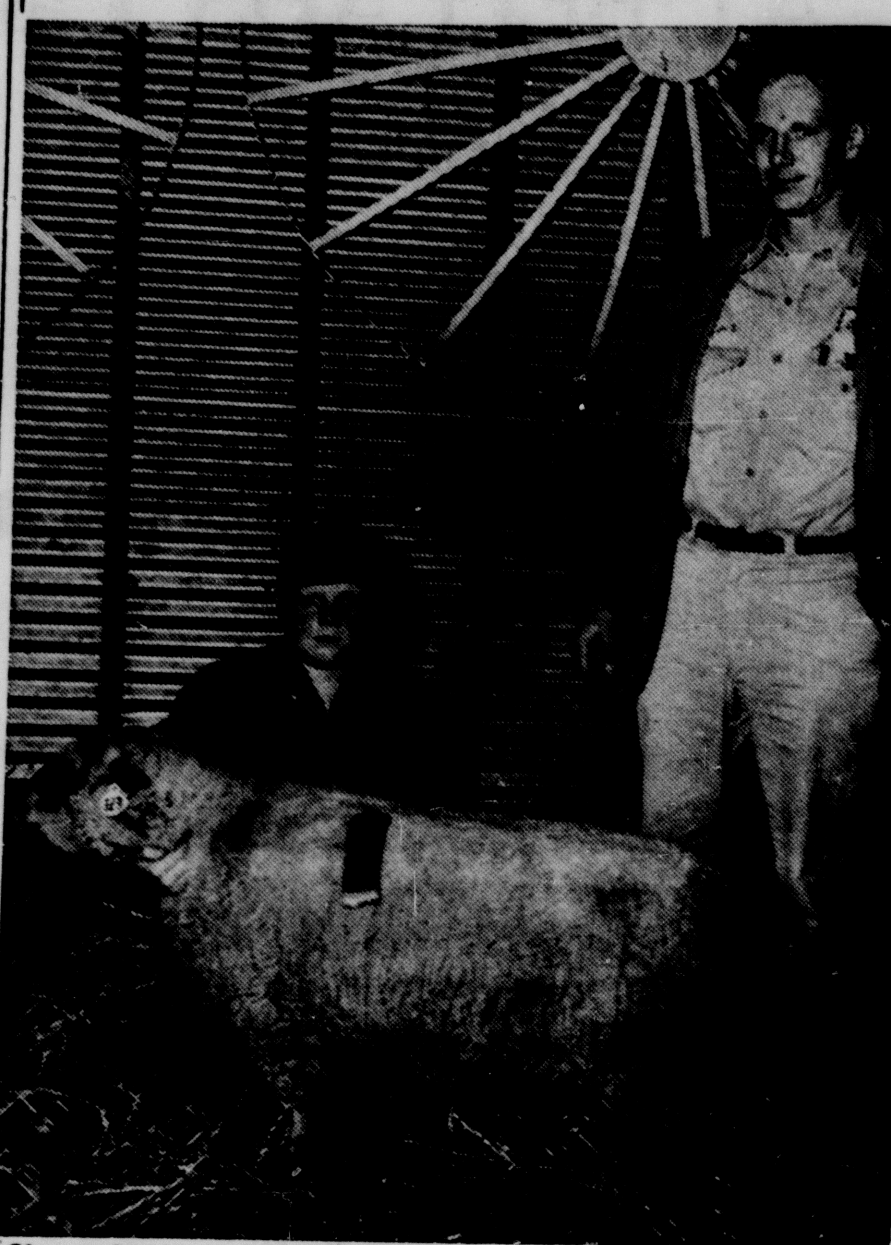

The Supreme Court had a session of its own yesterday and did not attend the Joint Session to hear the State of the Union Message. This was somewhat unusual.

The appearance of the President was awaited with mixed emotions. All of us were looking forward to his visit but some appeared to be most anxious to see what he looked like from a health standpoint. Others were awaiting with great anticipation some earth shaking remarks, or perhaps I should say space shaking remarks, in the State of the Union Message.

Mrs. Eisenhower, as usual, came in before the President and occupied the President's box in the west gallery. She was greeted with a tremendous ovation justly and properly accorded the First Lady of the Land.

The President was applauded

## Crossbreed Winner

Shown by James Haley, this lamb was the champion crossbreed in the Randall County Junior Livestock Show. It was purchased by Henschel Feed and Farm Service for 32.5 cents per pound.

## SOIL CONSERVATION DISTRICT NEWS

"If you missed the Randall County Livestock Show, you sure missed seeing some good calves, lambs and hogs," says Charles Conatser, vice chairman of the Randall-Potter Soil Conservation District Supervisors.

A Grass Identification Contest was held last Friday afternoon, in conjunction with the stock show, for FFA and 4-H Club boys. The contest was sponsored by the Randall-Potter Soil Conservation District. The prizes were furnished by the Randall County Junior Livestock Association and the contest was conducted and judged by technicians of the Soil Conservation Service.

Gene Stocker, an FFA boy who lives near Umbarger, won first place and was awarded a fishing rod and reel.

Second place was won by Gary Carver, who received an electric sportsman lantern as his prize.

Gene Stocker, an FFA boy who lives near Umbarger, won first place and was awarded a fishing rod and reel. Second place was won by Gary Carver, who received an electric sportsman lantern as his prize.

I was reminded of the time in Amarillo when Wendell Wilkie was running for President against Roosevelt. He made a speech before a huge crowd at Ellwood Park. What appeared to be one of his staunchest supporters was a large red-faced fellow wearing a good looking pair of cowboy boots and a good Stetson ten-gallon hat. He was sitting on the edge of his seat when Wilkie got up to speak.

Wilkie said, "Ladies and Gentlemen." Whereupon the red-faced fellow leaped to his feet, hurled his hat into the air, gave out with a resounding cowboy yell and then hollered at the top of his voice, "He's a-talkin' right down my alley."

## Facts and Conclusions

FACTS: When the President entered the House Chamber to give his State of the Union Message he looked excellent. His complexion was ruddy, he was wearing a broad smile, and there was plenty of briskness in his walk. His entire demeanor during the speech was that of a normal individual with full control of all faculties. His voice was strong and his pronunciation of words excellent, even though it did appear on the television screens that he might have mispronounced one or two. His voice did become a little hoarse at the end, but this would happen to anyone who had been on his feet talking for 43 minutes. It happened to me yesterday in a five minute radio talk.

When he left the Chamber he was shaking hands, smiling and stepping high.

Conclusion: The President will make it to grass.

## BACKWARD GLANCE

Once again, we've turned the corner from an old year into a new one.

Before old man 1957 disappears completely from sight, let's take one last look at him. His was a year of continued telephone activity in Canyon and other nearby communities we serve. For that, he at least deserves a tip of the hat from us.

Here, in brief, is his telephone record:

1. Total telephones now in service in Canyon 1976
2. Average number of local calls a day 3215
3. Average number of Long Distance calls a day 350

To sum it up, folks in Canyon depended on their telephones to do many jobs for them in 1957 and we plan this year to continue offering the kind of service that telephone users here have come to depend on.

## QUESTION FOR THE LADIES

How many times did you answer your telephone today? Several times, I'll bet. Chances are, you'll get one or two more calls before the evening's over.

I'll bet, too, you're usually in the kitchen when the phone rings, or when you need to make a call. Sometime, just for fun, count the steps you take going back and forth from the kitchen to the phone. And count the times, too, when you hurry through a conversation because there's something on the stove and you have to get back to keep an eye on it.

A telephone in your kitchen — where you need it most — is just about the handiest "appliance" you can have. You'll be surprised, too, how little it costs to put one in... even if you choose yours in one of the glamorous new decorator colors.

If you'd like more information about how you can have a handy new kitchen phone, just call the telephone business office — and we'll give you complete details.

Call by number. It's twice as fast.

## J. A. Guthries Mark Golden Wedding

Observing their fiftieth wedding anniversary Sunday were Mr. and Mrs. J. A. Guthrie, 1010 Fourth Avenue, who were married Jan. 19, 1908.

A family dinner was served in the home of Mr. and Mrs. Clinton Oldham on Sunday with Mrs. Jack Jennings, Mrs. John Guthrie and Mrs. Floyd Brown assisting as hostesses. The centerpiece on the table was a three tiered white wedding cake decorated in golden bells and rings.

Mr. and Mrs. Guthrie were married in the home of her parents, Rev. and Mrs. John Wallace, by Rev. T. F. Robeson, a retired Methodist preacher. They are believed to be the first couple married in Canyon and living here continuously to celebrate their fiftieth anniversary. They have lived on Fourth Avenue all of this time except one year and one month.

Mr. Guthrie has been a resident of Canyon since 1903. He was one of the first telephone and telegraph operators. He slept in the office and gave day and night service for three and a half years. When the couple married, he was employed by the Canyon Mercantile Co. After a year he went into the automobile business for himself, and continued in this for 10 years.

He then opened an insurance and real estate office in the old bank building, where he still maintains his office today. Mrs. Guthrie has been a resident of Canyon since 1899.

The Guthries have two sons: William, of Boulder, Colo., and John, of Canyon; four daughters, Mrs. Clinton Oldham and Mrs. Jack Jennings of Canyon, Mrs. Arvo Goddard of Dallas and Mrs. Floyd Brown of Billings, Mo.; and six grandchildren.
